The Lizard Recreation Ground Trust Play Area Improvements - Have your say!

The play equipment on Lizard Recreation Ground is quite old now and although it has been repaired and kept up to date it now needs to be replaced. Landewednack Parish Council, sole trustee of The Lizard Recreation Ground Trust has formed a project group to consider what improvements to make.

The aim of this survey is to find out what sort of activities all of the residents in Landewednack - The Lizard Village - would like to undertake in a community playground setting, including a sensory garden and meeting place.

Please return your completed survey to clerk@landwednackparishcouncil.org.uk or hand it in at The Football & Social Club, or Tregullas Farm,

Please complete one sheet per person
