

Volunteer Cornwall

A huge thank you to everyone in the village who is helping their neighbours and friends with shopping, prescription collecting, keeping in touch with each other and generally being 'Good Neighbours'

There are several small and large groups of people, and individuals, throughout the village and the Lizard peninsula all pulling together to help their friends, family and neighbours through the Coronavirus outbreak.

If you have volunteered, either individually or to one of the excellent help groups that have been set up in the village and surrounding area, or you would like to help, would you please also register your details with Volunteer Cornwall.

This is so that anyone needing help can easily be put in touch with someone who can help. Also, if you become unable to continue with the help you are giving, Volunteer Cornwall will be able to contact someone else from their database to step in.

If you need help, please contact Volunteer Cornwall by ringing 01872 265300 or emailing requestforhelp@volunteercornwall.org.uk

or you can use the same phone number as above 01872 265300

Although many people are seeing this on the internet, some people do not have access to a computer, smart phone or tablet, and we would ask if you know anyone who is in this situation, would you please make them aware of this important message.
