25/26-	190	Landewednack Parish Council Meeting Minutes 13 th November 2025: It was RESOLVED to approve and sign the minutes as a correct record.				
25/26-	191	Public Participation: A MoP expressed concern about debris on the Highway.				
25/26-	192	Cornwall Councillor: A written report had been received this evening from CCRG: Budget: Cornwall is to receive £30m Kernow Industrial Growth Fund. Clarity is being sought as to whether this fund is a replacement for the Shared Prosperity Fund, (c£44m p.a.) due to conclude in Spring 2026. In recognition of Cornwall's distinct local identity and history of programme delivery across the Cornwall footprint, the Government is minded on an exceptional basis to work with Cornwall Cllrs to explore designating the Council as a single foundation strategic authority. Any designation would be subject to Royal Assent of the English Devolution and Community Engagement Empowerment Bill and Parliamentary approval of the necessary secondary legislation before starting Cornwall on the journey to deeper and wider devolution. A new police officer has been transferred from Penzance to Helston to assist with alleviating the issue of anti-social behaviour. Following a review of Street Lighting, and consultation with the Police Liaison Team, there are no plans to amend the lighting profile at this time. This is because there had been no change in crime reported that is linked to the current lighting schedule. The police will begin holding monthly drop-in surgeries at Mullion Comprehensive School in the New Year. Residents of the Lizard Peninsula are welcome to attend.				
25/26-	193	Police Report: There were 5 reported crimes in the area in October 2025 The Neighbourhood Watch Representative (NWR) has accepted an invitation to attend the Annual Parishioners Meeting. In light of concerns in the village, they have offered to have a meeting in the Lizard Village prior to then. The Clerk was authorised to liaise to arrange this.
