

Landewednack Parish Council as Sole Trustee of the Lizard Recreation Ground Trust

Minutes of the meeting of Landewednack Parish Council as Sole Trustee of the Lizard Recreation Ground Trust held at the Lizard Reading Room

10th September 2026 Minutes

Present: LPC members as Trustee: A Pascoe (Chair), A Singleton, C Hiscott, I Fiske, A Lamb, N Legge, N Rowe, A Tryhorn
H Singleton (Secretary). M Willey (Chair, LAS&FC) J Hudson (LAF&SC)

1. To receive and accept apologies:

R Nicholls

2. Minutes of the Meeting held on 11th June 2026

The minutes were approved

3. Legal Matters: Martyn's Law

Ian Fiske gave a detailed presentation summarising the requirements of Martin's Law. It was agreed to copy relevant documentation to LAS&FC.

LAS&FC are looking to appoint a responsible person to be trained to meet the legal requirements for events.

4. Review of Events:

The Lizard Community Group Fun Day Sunday 16th August 2026

Once again a very successful event enjoyed by many.

The Lizard Vintage Car Rally; August Bank Holiday - Sunday 30th August 2026.

Despite a heavy downpour partway through the day this was a successful event although numbers were affected by the weather.

The Lizard Sea Shanty Festival – 4th - 6th September 2026

The Recreation Ground provided a safe venue for the children. A good time was had by all.

Local businesses also participated and this worked very well although one location did not adopt the voluntary use of plastic drinking vessels. A glass was smashed near to the village square. It is hoped that this would be resolved for any future village events.

An event with 'The Press Gang' will be held on Saturday 3rd of October when the donated funds will be distributed to the beneficiaries.

5. Future Events:

- I. The Community Group are arranging a fireworks display, to take place on 30th October. The Trustees await further information.
- II. Wedding celebrations for a local couple will take place on the evening of 19th September, with a marquee being used for public celebrations on the Recreation Ground.

6. To consider matters relating to the Social & Football Club.

The Social and Football Club arranged new stone and tarmac repairs for the Vintage Car Rally and rubbish was cleared away and level surfacing installed at the side of the clubhouse. Thanks were expressed to the Club for this work.

The area around the benches between the clubhouse and the play area has become uneven. The bar manager has secured a donation of slabs from Travis Perkins, and these will be laid, by Football Club sponsors, Rusmar, in the bench area, to improve Disabled Access to this area. This will also assist

access to the Play Park. The Trustees thanked the Club and the Company for arranging this, which is much appreciated.

7. Projects and Action List

The New Playpark and Sensory Area:

A PowerPoint Presentation of the Play Park project was given. This may include a fitness trail, to address the needs of the young people and adults.

Environmentally friendly, recycled plastic materials will be used. This will increase the longevity of the area and reduce maintenance costs in the long run.

It is the intention that some of the equipment be reused, with quotations currently being received for the new play park in the range of £62,000 to £87,000.

Funding is being sought from the National Lottery and other sources. A donation has been promised from The Lizard Sea Shanty Festival. The Playpark Working Party is also looking at crowdfunding. Landewednack Parish Council are leading this project and will provide a significant proportion of the funding.

8. Play Area:

Regular safety inspections are conducted by an independent contractor, with essential repairs conducted as soon as practicable.

It is important that all children are supervised by a responsible adult whilst playing. It is also requested that children do not pull away the wooden slats around the play area. These are expensive to repair and replace.

9. Accounts

- I. Payments from the account were approved.
- II. Income and expenditure were reviewed.
- III. Essential maintenance work only will be conducted on the play equipment, further highlighting the need for replacement.

10. Date of next meeting

November 2026, date to be advised
