## DEFIBRILLATOR TRAINING

The village is lucky to have two defibrillators, but these life saving pieces of equipment are of no use without people who are willing and able to use them!

Landewednack Parish Council has arranged for defibrillator training to take place within the village and we would like to encourage as many of you as possible to attend one of the training sessions.

Training sessions, which will last about 90 minutes, will take place in the Reading Room on the following dates:

**Tuesday 6th Feb starting at 7pm**

**Wednesday 7th Feb starting at 10am**

**Wednesday 7th Feb starting at 2pm**

Sessions are limited to a maximum of 10 people and you can book a place using the form located in the Post Office. If there is sufficient demand, further sessions will be arranged.

If you have any questions,
